FAQ

- Charges more effective and penetrating • Formation fixes • Morale more dynamic, cavalry charges more decisive.. It includes instructions how to apply Special New in v5 0 (Finale Edition) • Units should no longer get stuck in fort doors (a bug that you have reported many times).. • Crew in some ships should not get stuck and now should man all the cannons • Several fine tunes in melee mechanics and synchronizations.

- Overall an even more realistic and challenging battle experience with correct balance of melee lethality.. Before you install, make sure you have uninstalled any previous version • • • Small Launcher Hotfix: Fixes BSM Effects not enabling.
